RTI in Website

RIGHT TO INFORMATION ACT

The Government of India has enacted the 'Right to Information Act 2005" replacing the Freedom of Information Act. In order to promote transparency and Accountability in the working of any Public Authority, the Act provides the right to citizens to secure access to information of general nature. The Public Sector Banks are "Public Authorities" for the purposes of this Act.

INFORMATION AVAILABLE UNDER THE ACT

As far as the Banks are concerned the relevant provision that have already come into force are Sections 4(1), 5(1) & 5(2). The right to information includes an access to the information which is held by or under the control of the Bank which comes under Public Authority and includes the right to inspect the work, document, records, taking notes, extracts or certified copies of documents / records and certified samples of the materials and obtaining information which is also stored in electronic form.

INFORMATION EXEMPTED FROM DISCLOSURE

The Act provides under Sections 8 and 9, certain categories of information that are exempt from disclosure to the citizens. The public may also refer to the relative sections of the Act before submitting a request for information.

HOW TO GET THE INFORMATION?

Any citizen can request for information by making an application in writing or through electronic means to Head Office.
