

EPFO Withdrawal of Retired staff

Owing to our Bank's application on exclusion from EPFO, the EPFO claim withdrawals were returned by EPFO stating that "Exclusion is in Progress". During a recent video conference held with RPFC, Salem we have requested him to settle the EPFO claim withdrawals of the retirees. Based on our request, the RPFC has assured to process and settle the claims and advised us to inform the retirees to lodge the claim once again online. Hence we advise the retired staff who were not allowed withdrawals for the above said reasons may resubmit the claim immediately.
